Alt 6

Alternative 6 – New Construction
Demolish DPW Structures and Build New at Franey Road Site
Alternate 6

PROS

• Completely new school
• Greatest potential energy conservation and lowest operating cost
• Response to current educational programming needs
• Full accommodation of current and future curriculum
• Space and flexibility is provided for the projected growth in student population
• Potential for meeting community design and image goals
• No swing space is required

CONS

• Cost
• Complicated construction involving underground parking garage below the entire footprint of the school
• Longest overall project schedule
• External construction congestion
• No indoor track program given the new, smaller gymnasium size
